

September, 2008

Dear Parents:

We cordially invite you to join us for Back-to-School Night on Thursday, September 25, 2008.

Your “day in the life of a student” begins with a “Welcome” from the Principal in the auditorium at 7:00 p.m. Period 1 will begin at 7:15 p.m. and the remainder of the program will allow you to follow your child’s daily schedule. Enclosed with this mailing is a computer-generated schedule. On the reverse side of this letter, we have enclosed a form that you and your son or daughter should complete as an “A” day schedule. Please note the special instructions at the bottom of that form.

You will have the opportunity to meet with your child’s teachers in a group setting. Teachers will share expectations and procedures with you. Course descriptions, objectives, the strategies being used to achieve them, and the methods by which learning is measured will be discussed. The organization of this evening does not lend itself to individual conferences.

Back-to-School Night provides a marvelous opportunity to meet our staff and gain increased understanding of the educational process at Ardsley High School. We look forward to your attendance and participation at this and other High School events throughout the year.

Sincerely,

Jim Haubner
Principal

SPECIAL INSTRUCTIONS

1. Please attend only science class meeting every day (not alternating day lab).
2. If your child is scheduled for Learning Resource Center during 9th period, please use your child's lunch period (5th or 6th) to visit with a special educator in the Center.
