Dear Parent and/or Guardian:

Enclosed you will find an unofficial copy of your child's transcript. Please review this document with your son or daughter. It should reflect work completed through June of 2008. Please pay special attention to the courses taken, grades received, and the total number of credits printed. We will be using this information to determine grade point averages (G.P.A.) in early September. The transcript is also the official school record sent to colleges as part of the admissions process. Please contact the guidance office by Monday, September 8<sup>th</sup> if you have any questions pertaining to the accuracy of the transcript.

Many of you have met with your child's guidance counselor to discuss post-high school plans last spring. If you did not take advantage of the opportunity at that time, please be advised that all seniors will be having individual sessions with their counselors starting in September. You are certainly invited to participate in this meeting. Please call the guidance office after September 12<sup>th</sup> to set up an appointment (693-6300 ext. 2250).

Additionally, please join us at the Senior College Planning session on **Thursday, September 11<sup>th</sup> at 7:00 p.m.** in the **High School Auditorium**. This will be a follow-up meeting to the Junior College Informational Evening and address many of the questions you may have regarding the actual college application process.

Thank you very much for your support and participation.

Sincerely,

Dr. James Haubner  
Principal
