

# CONCORD ROAD SCHOOL

# TECH NEWS

June 2023

Students will retain access to all applications through Panthers Link until August 10. Students can also access the site from the CRS Homepage. It is important to note that as we implement auto rostering for our subscriptions, there may be certain applications that students will be unable to access until they return to school.

## 1:1 DEVICE PLAN FOR THE 2023-2024 SCHOOL YEAR

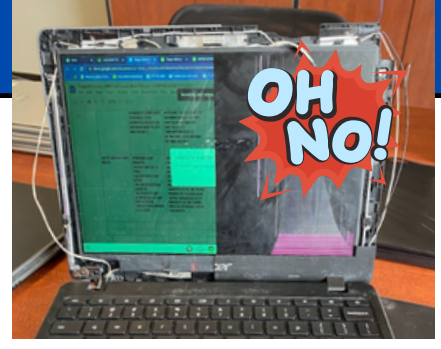

### Grades K-4:

All classrooms at Concord Road will continue to have a dedicated cart of Chromebooks available for in-school use. These devices will remain on-site for classroom activities. Additionally, carts of iPads will be provided for shared use among classrooms when needed.

### Grades 5-8:

Incoming 5th graders will be provided with a brand new Dell Touchscreen Chromebook and a hard-covered case for added protection. It is strongly recommended that families purchase insurance for these devices. Students in grades 5-8 are required to use the school-issued device and are not permitted to bring personal devices to school.

## IMPORTANT INFORMATION FOR PARENTS OF RISING 5TH GRADERS

### Attention: 4th grade parents

Your child will receive a brand new Dell Touchscreen Chromebook in September. Once devices are distributed parents will be able to purchase insurance. Please review this [document](#) to learn more about obtaining protection for your device. We encourage all families to purchase and renew insurance on a yearly basis to purchase and renew insurance on a yearly basis. Please refer to this [link](#).

*The average cost to repair a broken screen without insurance coverage is \$200.*

For parents of  
rising 5th graders

## REPORT CHROMEBOOK ISSUES WITH ONE TO ONE PLUS STUDENT HELP DESK

If you encounter any problems with your school-issued Chromebook, we kindly ask that you generate a ticket using the One to One Plus Student Help Desk. This dedicated platform ensures a streamlined process for reporting and resolving technical issues.

To learn more about how to generate a ticket and access the One to One Plus Student Help Desk, please refer to this [document](#).

You can email your questions or concerns to [techsupport@ardsleyschools.org](mailto:techsupport@ardsleyschools.org), and our team will be happy to assist you.

For specific inquiries related to the parentportal, we kindly ask that you email Erin Newton at [enewton@ardsleyschools.org](mailto:enewton@ardsleyschools.org).

## Embrace Summer and Find Time to Unplug!
