

HOW TO ACCESS CONTINUAL LEARNING

During an extended closure of schools, your child will continue their learning at home. This guide will help you access the **continual learning** resources that we have at Concord Road. All information is separated by grade, content area, and special areas. You will find a multitude of resources for the various classes and subject areas your child attends throughout the regular school day. Please take full advantage of the resources available to truly continue your child's learning while away from our Concord Road family.

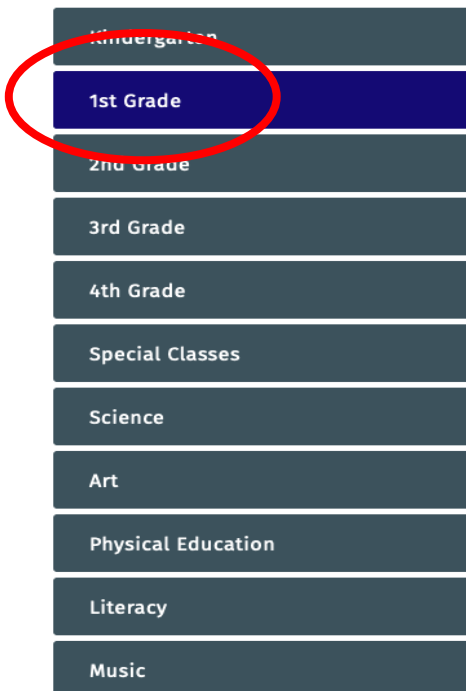

[Step by step guide for accessing continual learning:](#)

1. Access the Concord Road Homepage and click on the **Continual Learning** tab.

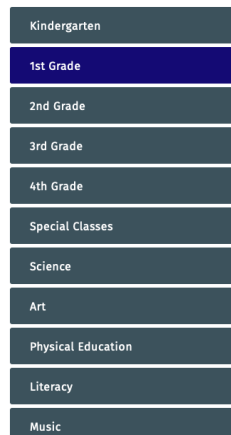

2. A menu of options will appear. **Select the specific grade or content area tab** for content specific resources and continual learning plans.

Continual Learning

3. You will then have the **continual learning resources and plans you need to work at home with your child**. There are links to additional resources embedded in these plans and should be utilized. Plans are separated by days and weeks so you know what assignments your child should be working on.
