

Panthers Link provides single sign-on to most of our web and Windows applications. In addition, students will be able to access their network files from any computer, tablet or smartphone.

Students can access the URL from the each of the school homepages under

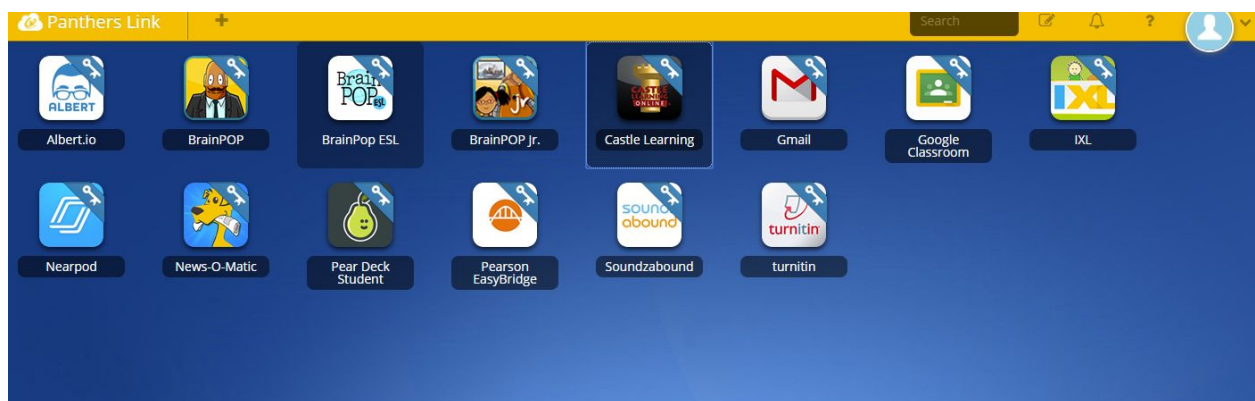

STUDENTS → [Panthers Link](#) or the students can launch Chrome and go directly to <http://pantherslink.ardsleyschools.org/>

The username and password are the same as the network login credentials that are used to access the computers.

Student username: `firstname.lastname`

*Student password: `*****`*

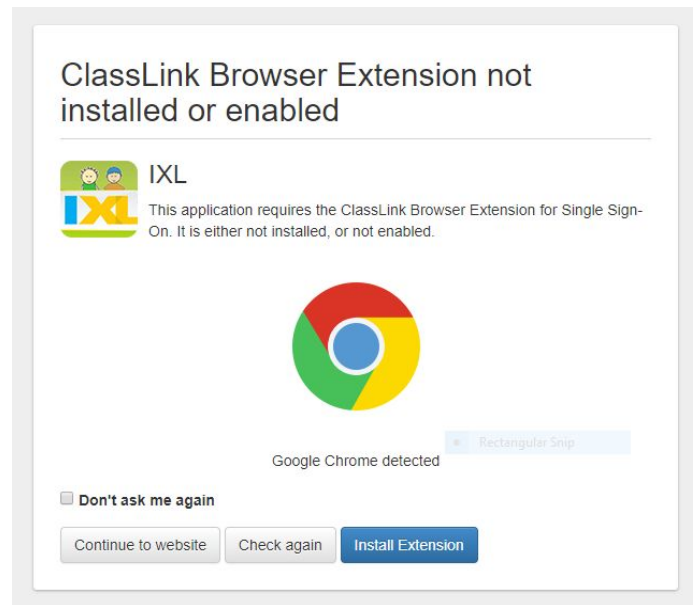

Once the user logs in, the dashboard of applications will appear:

Chrome PC Extension Installation

The ClassLink Extension is used to access some Single Sign-on applications.

1. To download the extension, you will be prompted when you click on an application that requires the extension. Click **'Install Extension.'**

- 1b. *If you are not prompted for the installation, go to the Chrome Web Store website <https://chrome.google.com/webstore/category/apps> and search for 'ClassLink' in the top right search box. Click 'Add to Chrome' next to the ClassLink OneClick Extension.*
2. Click **'Add to Chrome'** next to the ClassLink OneClick Extension.
3. Click **'Add Extension'** in the pop-up box.
4. A pop-up box will appear on the top right telling you the extension is installed.

Please fill in the username and password fields with your network username and password.

Would you like to save your login?

 IXL
You can save your login for this application to auto login on your next visit

Fields marked as * are required

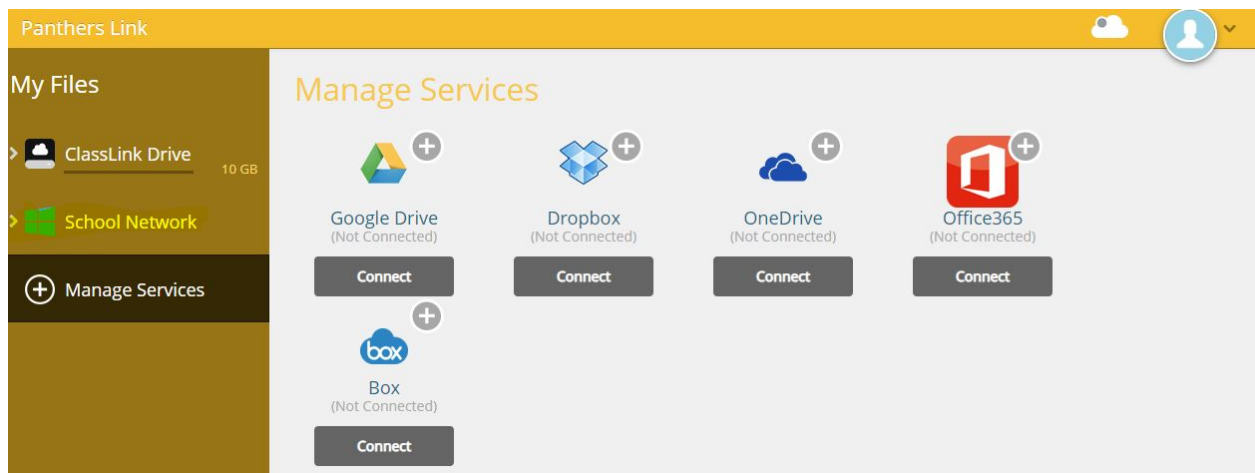

* Username

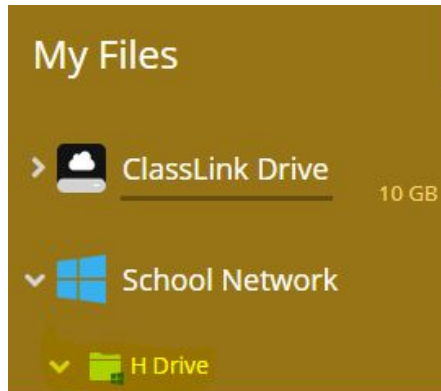

* Password

To Access Network files, click on My Files: Users will be able to access their networked files.

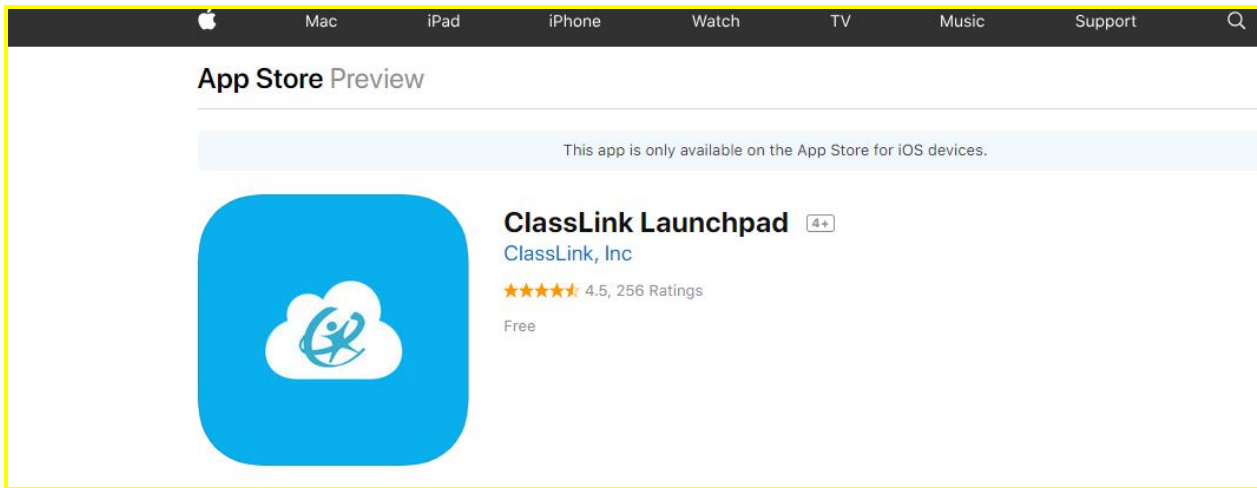

In the My Files section, you will be able to access your Windows Network files, click on **“School Network”**

Click on the arrow to view your H Drive:

If you are using an iPad you will need to [download the ClassLink app](#) from the iTunes Store.

You may be required to download other apps like [Dreambox Learning](#).
