Please use the list below to purchase supplies for our classroom. Please purchase the brand name requested whenever possible. I have broken the list into 3 categories. The **general supplies** do not need to be labeled with your child's name. The **individual supplies** should be labeled on the inside or back of each supply so that I can add labels once they arrive in the classroom. The **optional supplies** are things we use throughout the year so if you happen to find them on a FANTASTIC SALE and don't mind picking them up for us, we would greatly appreciate it!
