

Below are the supplies we will need for the upcoming school year. Please purchase the brand name requested whenever possible. I have broken the list into three categories. The "**General Supplies**", "**Individual Supplies**" and "**Optional Supplies**". Please label the individual supplies with your child's name on the inside or back of each supply so I can add labels once the supplies arrive in the classroom. The "**Optional Supplies**" are things that we use throughout the year, so if you happen to find them on a FANTASTIC SALE at some point later in the year and you don't mind picking them up for us, we will eventually use them!
