

Ms. Leslie Cohen

English Language Arts

Grade 6 (Reading & Writing)

- A heavy duty PLASTIC 2 pocket folder - YELLOW labeled with student's name in top right. PLEASE REINFORCE THE BINDING WITH STRONG PLASTIC TAPE/DUCT TAPE. It is very likely this folder will need to be replaced. I'm minimizing weight by eliminating a binder, so please buy an extra sturdy folder to keep on hand for when the first one breaks.
- **One marble composition notebook** to be kept INSIDE folder every day. LABEL YOUR NAME AND COHEN ELA CLEARLY WITH SHARPIE ON FRONT COVER
- **A second notebook** - personal choice what kind - to be used for independent journal writing. This will be explained in the first few days and requested to have by Monday, September 12th!
- Pencils, pens and highlighters on hand daily. You cannot skip the highlighters! **NECESSARY!**
- A personal pencil sharpener. This is necessary! We do not have a working class sharpener.
- One supply case (inside bag at all times). We need to be sure each student **ALWAYS** has his/her own supplies handy. We will not be borrowing pencils, highlighters etc....
- Three packages of post-its (3 x 3)(may need more as year progresses)
- Thick and thin black Sharpie or other felt tip marker (3)
- **HEADPHONES/EARBUDS that work with Chromebook** - THIS IS A MUST! You will need a pair to have on hand that works with your Chromebook. If you can't listen to videos in class, it makes it impossible to participate in class and missed work becomes homework!
- *We welcome donations of tissues/Clorox/Lysol surface wipes for cold and flu season/ extra precautions.*
