

# High School Supply List

Teacher Name: Brandon Milonovich

Donations of tissue boxes and Expo brand blue/black markers are greatly appreciated.

Course Name: Introduction to Computer Science

## Supplies:

- Choice of notebook type, but be prepared for some handouts to organize.
- Earbud headphones (great idea to keep a set at home and one at school).
- USB flash drive (at least 2GB)

Course Name: SUPA Introduction to Information Security

## Supplies:

- Choice of notebook type, but be prepared for some handouts to organize.
- Earbud headphones (great idea to keep a set at home and one at school).
- USB flash drive (at least 2GB)
- 32 GB or larger Micro SD card with adapter ([this is a good option](#))

Course Name: AP Computer Science Principles

## Supplies:

- Choice of notebook type, but be prepared for a fair number of handouts to organize.
- Earbud headphones (great idea to keep a set at home and one at school).
- USB flash drive (at least 2GB)

*Please note that for AP Computer Science Principles, there is no summer work that needs to be completed.*

Course Name: AP Computer Science A

## Supplies:

- Choice of notebook type, but be prepared for a fair number of handouts to organize.
- Earbud headphones (great idea to keep a set at home and one at school).
- USB flash drive (at least 2GB)

*Please note that for AP Computer Science A, there is no summer work that needs to be completed.*
