

Ardsley Union Free School District Food Service Program

In order to help all our families Aramark Food Service will be serving a grab and go breakfast and lunch if the schools should have to close.

If the schools should close the following will take place:

Starting Wednesday, March 18th, **Bag breakfast and lunches** will be available outside the Ardsley High School Cafeteria at the commons area of the building – see map below. Please drive around to the commons area (where voting takes place) of the school. We will be set up for you to pull up, take your bags and head back out.

You will just be asked your child's name for record keeping purposes. We can provide up to three days' worth of meals (breakfast and lunch).

We will be open from 9:30am-11:00am Monday-Friday for the first week, we will reassess the hours the first week and notify of any change in hours via email and the Ardsleyschools.org website.
