

Dear 2W Family,

Hello from Room 9 and welcome to 2nd grade! I am so excited to be your child's teacher this year. I spent the summer chasing around my two young sons Jack and Tyler, but more recently I have been here at school preparing for the upcoming year. This is my seventh year teaching 2nd grade here at Concord Road, and my eleventh year overall. The excitement for the start of the year never fades for me! I look forward to getting the chance to introduce myself further to your children on the first day of school, and to you during our Open House.

Thank you for taking the time to review the supply list, which is posted on my teacher page on the Concord Road website. In addition to the supplies listed, there are a few items I would appreciate:

- One sturdy, plastic pencil box. This does wonders for 2nd grade desk organization!**
- An extra mask or two to keep in your child's backpack.**
- A beach towel in a labeled bag with handles (so it can hang on the hooks in the back of our room). We will use these to eat snack outdoors when weather permits.**
- Optional: If you come across some yummy smelling hand soaps, please send them in. As you know, hand washing is an important part of our routine, and I found last year that pleasant soaps made this more enjoyable.**

I look forward to starting a fantastic school year, meeting your children and beginning my partnership with you.

See you soon,

Mrs. Devon Wright
