

Sight Words

Sight words (sometimes referred to as word wall words) are frequently occurring words that can be difficult to sound out in order to decode. In Kindergarten, your child learned 50 sight words that we will continue to build upon in first grade.

You can find the first fifty sight words from Kindergarten here. [K-25 Sight Words](#), [K-50 Sight Words](#)

For a complete list of all sight words for first grade, click here. [First 50 sight words](#), [Second 50 sight words](#)

The following is a menu of suggestions your child can pick from to practice reading and writing these important words. [Spelling Menu](#)
