

Board of Education Sub-Committees

Ardsley Panther Association Committee – attends the Panther Association meetings.

Audit and Finance Committee - meets monthly with the Assistant Superintendent for Business, Facilities and Operations to review the district's finances and is actively involved in the entire budget process. Serves on any community finance committee the District may have. Prepares the budget book for the Board and works with the district's administrative team to present the budget.

Board Development Committee - meets with the Superintendent as needed. This committee reflects on the working relationship between the Board and the district administrators. Discusses professional development needs, identifies areas of strength and areas for focus and improvement and plans for development.

Community Relations Committee (Town of Greenburgh, Villages of Ardsley, Dobbs Ferry, Hartsdale) - attends Village and/or Town meetings on an "as needed" basis.

Contracts Committee - meets with the Superintendent monthly to review all district contracts. Works with the Superintendent throughout the negotiations process. Negotiates all independent contracts with the Superintendent.

Curriculum and Instruction Committee/Personnel Committee - meets with the Assistant Superintendent for Curriculum and Instruction on a monthly basis to review current programs, trends and initiatives. Reviews hiring practices and procedures.

Long-Range Planning (Facilities) and Housing Development Committee – meets with the Director of Buildings and Grounds quarterly. Monitors housing development in the school district's communities.

Policy Committee – meets with the Superintendent on a monthly basis to review all district policies and regulations.

Special Education Committee – meets with the Director of Pupil Personnel Services quarterly. Keeps apprised of the district's programs and enrollment. Monitors the financial status of the programs and the district's out-of-district placements. Keeps apprised of trends and issues. Visits special education classes.

Strategic Planning Committee – meets with the district administrators as needed to plan and implement the district's Strategic Plan.

Technology Committee – meets with the Assistant Superintendent for Curriculum and Instruction and the Assistant Superintendent for Business, Facilities and Operations as needed to review the district's Technology Plan and purchasing of equipment.
