

# ARDSLEY HIGH SCHOOL

September, 2022

Dear Parent and/or Guardian:

There is a provision in the Federal “**Every Student Succeeds Act**” that requires schools that receive federal funding to submit a list of juniors’ names, addresses and phone numbers to any military recruiters who request it.

If you do not want your child’s name released to military recruiters, you must sign the waiver below and return it to the Guidance Office. If you do not return the waiver, you are giving us permission to release your child’s name, address and phone number.

If you have any further questions, please contact your guidance counselor.

Sincerely,  
Guidance Department

I request that my child’s name, \_\_\_\_\_, 11/ 12 grade  
Student’s name (please print) (circle one)

be removed from the list that is made available to military recruiters.
