Dear Neighbor,

As we begin a new school year we would like to inform you of some opportunities for you and your children to participate in our recreational and instructional swim programs. All of our instructional offerings will continue and information on those programs as well as registration forms can be found on the School District home page (www.ardsleyschools.org) under the tab "COMMUNITY" "**Rec-Pool Program.**"

The hours of our recreational swim program are, Monday to Friday from 7:30 p.m. to 9:30 p.m. The locker room will be available from 7:15 p.m. to 7:30 p.m. and then again from 7:45 p.m. to 9:45 p.m. On Saturdays our hours will be from 12:30 p.m. to 3:30 p.m. The locker rooms will be available during those hours and 15 minutes before and after.

We have added hours during school holidays/vacations when our custodial staff is scheduled to be in the building. Our recreational swim program needs to be self-sufficient and may be modified or canceled if enrollment is not sufficient to sustain the program.

We will be looking at other ways to improve our program throughout the year and invite your input on how we can make it more attractive for you and your family. If you are a returning member we welcome you back! If you have never participated in our program, we invite you to come by some evening for a free swim and try us out! Just email me letting me know you would like to take a look and I'll email you a free one day pass. Hoping that you stay fit for life I am,

Very truly yours,

John Santiago
