Director of Facilities & Transportation

Dear Neighbor,

I hope this letter finds you well, as we begin the 2022 school year we are happy to inform you that the Saturday Instructional Swim program will take place this year. The recreation swim program is under review at this time. There will also be a Lifeguard course available over the winter break in December. Registration forms for all of our instructional offerings and information about those programs can be found on the School District home page (www.ardsleyschools.org) under the tab "COMMUNITY" "**Rec-Pool Program.**"

Also after many years of loyal service John Santiago has retired from the district, my name is Mat Tuffarelli and I will be handling all the pool recreation activities. If there are any questions or concerns please reach out to me at any time.

Very truly yours,

Mat Tuffarelli
