Director of Facilities & Transportation

"Dear Neighbor,

It has been a very difficult year for all students, staff and the community. We are hoping that this year will be the turning point so we can return to some sense of normal.

As we begin a new school year we are happy to inform you that the Saturday Instructional Swim program will take place this year. The recreation swim program is under review at this time. There will also be a Lifeguard course available over the winter break in December. Registration forms for all of our instructional offerings and information about those programs can be found on the School District home page (www.ardsleyschools.org) under the tab "COMMUNITY" "**Rec-Pool Program.**"

Very truly yours,

John Santiago
