

Math Department Honors and AP Criteria

What is the criteria for placement into honors-level classes?

Students currently enrolled in a regular-level course need to maintain an A or A+ average for the first three quarters or as a final course grade in order to qualify for placement into an honors-level course. Students coming from Algebra I need a departmental recommendation for the Algebra II Honors course.

Students currently enrolled in an honors-level course need to maintain a minimum of a B- average for the first three quarters or as a final course grade in order to continue the honors-level sequence the following year.

What is the criteria for entrance into Advanced Placement classes?
