

# How to Join a Google Classroom

Your child's special area teachers have created a Google Classroom just for their class! You will be able to see any assignments, resources, activities, etc that their special area teachers have for them. Please follow the unique Google Classroom codes that have been provided by your child's classroom teacher.

## Here is how to join additional Google Classrooms:

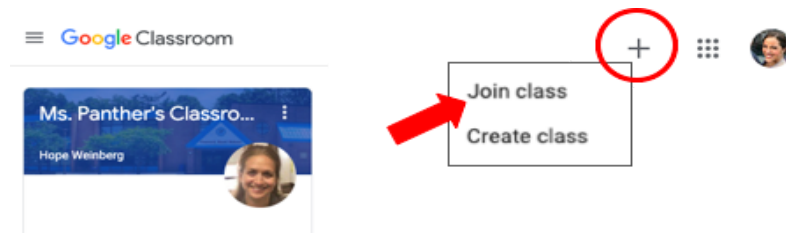

### **STEP 1: Enter Google Classroom.**

You can do this through the icon on Panthers Link.

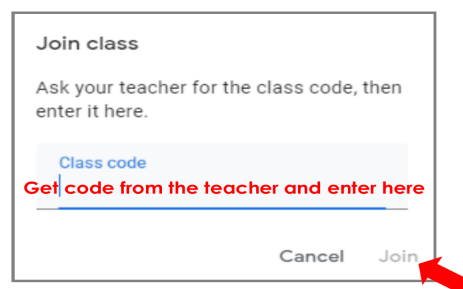

### **STEP 2: Select the plus sign and then join class**

In the top right corner next to your child's image and the G suite "waffle", click the + to **join classes**.

### **STEP 3: Enter the class code**

Each special area class has an individual class code, specific to your child's class.

**Your child's classroom teacher will provide a list of class codes for each special area class they attend.**
