Dear 8th Grade Families,

This year's 8th grade class will once again have the opportunity to experience an exciting field trip at Lake Compounce in Bristol, CT. Students will have a fun and adventurous day celebrating their four years together at AMS. The trip will be held on **Thursday, June 2** from 7:00 AM - 6:00 PM.

The trip costs \$125 per student and covers all expenses: transportation, entrance fee, food and chaperones. Payment should be made online via your [My School Bucks](#) account by **Monday, May 16**. If you do not have a School Bucks account, please [click here](#) to create one. If you are experiencing financial hardship and would like assistance paying for the trip, please contact your child's guidance counselor. Those wishing to help students in financial need can simply select the 8th grade donation box on School Bucks and input a donation. All donations are confidential and any amount is appreciated.

Students should wear school-appropriate swimwear under their clothing and bring a string bag with towel, change of clothes, and sunscreen. Mrs. Reid, our school nurse, will be joining us for the day. Please reach out to Mrs. Reid if you have any medical concerns for this trip.

If your child will not be attending the trip, please send an email to your child's guidance counselor so alternative learning arrangements can be made for your child at school. Students not attending the trip are expected to be in school.

If you have any questions please contact one of the trip coordinators, Marie May (mmay@ardsleyschools.org) or Stacy Vlad (svlad@ardsleyschools.org). We look forward to a fun filled day with your child!

Best regards,
Marie May and Stacy Vlad
