Dear Parent/Guardian:

You are cordially invited to attend a special graduation assembly for members of the eighth grade to be held on Monday, June 24 at 6:00 PM at the Ardsley High School athletic field.

As part of the ceremony, the Ardsley Middle School Class of 2019 will be formally accepted into Ardsley High School. In addition, members of the Board of Education and Dr. Ryan Schoenfeld, our Superintendent of Schools, will be invited as special guests of the class on that day.

Students are expected to wear appropriate dress for this occasion: jackets and ties, dresses, skirts, and blouses. Students should arrive no later than 5:15 PM.

The ceremony is planned to be outdoors which will allow us to have an unlimited number of guests. In the event of bad weather, we will move the ceremony indoors and use the Ardsley High School gym. The decision regarding the move indoors will be made as early as possible, but it might not be until late Monday afternoon.

Students will receive an envelope with four tickets during their third period class on Monday, June 17. Should it be necessary to have an indoor ceremony, these tickets will need to be presented for entry to the gym. For those families who require additional seating, we will have a closed-circuit television viewing of the ceremony in the high school auditorium. We suggest that this seating would be more comfortable for grandparents of the graduates if the evening is hot and humid.

Please check our web site at www.ardsleyschools.org for updates. We know that regardless of the weather it will be a wonderful, celebratory evening.

We look forward to seeing you on June 24 and having you share in the importance of this day.

Sincerely,
