Dear AMS Parent,

Hope your new year is off to a great start! We greatly value input from our families to better understand what we are doing well and what we can be doing better to ensure our students' well-being and engagement with learning. To help us achieve that goal, we have been working with Challenge Success.

To that end, we are sending out a survey to parents that is similar to the one sent to students last winter. This survey is confidential. It will take about 20 minutes to complete. **(Please complete it by February 5, 2020)**

You can access and complete the survey online - from a computer, tablet, or smartphone - by visiting the link below.

As an incentive, should we reach the 50% mark in terms of participation, all AMS students will have a homework-free night! And the grade with highest rate of participation will have music playing during their lunch period for a week.

We will share the results from the survey after they've been compiled. If you have questions about the survey, please visit the Challenge Success [website](#) or their [survey FAQs](#) and [sample questions](#) pages.

Thank you for taking the time to give your feedback!

Sincerely,
