

Athlete of the Week

April 24th - 29th

Donnae Farquharson

TRACK (Senior)

This Week's Accomplishments Donnae has shown great improvement over her career. Last week, she set the school record in the Discus with a monster throw of 98 feet 5 inches! Donnae is a role model for the team and especially for a group of young throwers that hope to reach her heights in the coming years. We wish Donnae the best of luck in the sectional tournament.
