

Add a Photo Gallery App to a Page

Here's how you add a Photo Gallery app to a page.

1. In *Site Manager*, navigate to the workspace containing the page to which you wish to add a Photo Gallery app.
2. Click **Actions** to the right of the page and select *Edit Page* from the drop-down list. The page opens in Edit mode.
3. In Actions, click *Manage Apps & Layout*. The page opens in Design mode.
4. Click **Add App**. The Select an App dialog displays.
5. Select Photo Gallery App in the first column. A list of existing Photo Gallery apps along with a **Create New** button display in the second column.
6. To add an existing app to the page, select an app in the list. You are returned to the page in Design mode.
7. To add a new app to the page, click **Create New**. In the third column, enter a name for the app.
8. Click **Create**. You are returned to the page in Design mode.
9. Click **I'm Done** to return to the page in Edit Mode.

Add Photos to a Photo Gallery

Here's how you add photos to a Photo Gallery.

1. In *Site Manager*, navigate to the workspace containing the Photo Gallery App to which you want to add more photos.
2. Click **Actions** to the right of the page and select *Edit Page* from the drop-down list. The page opens in Edit Mode.
3. Click on the Photo Gallery app. The app opens.
4. Click **Upload Photos** and select the new photos you wish to add by selecting **Browse**.
5. Click **Upload**.
6. Click **Publish**.
