

March 6, 2020

Dear School Music Administrators and Teachers,

After careful consideration for the well-being of our students and parents, the Westchester County School Music Association has made the decision to cancel the All-County Music Festival at SUNY Purchase scheduled for March 7th and 8th.

It is not possible to reschedule the concerts.

Additionally, the WCSMA Jazz Festival rehearsals and performance scheduled for March 10th - 13th at the Hommocks School in Mamaroneck has also been cancelled.

We will be in contact with the individual school music teachers for return of music.

Please be considerate of the fact that we are all working teachers and may not be able to immediately respond to your individual emails and calls at this time.

We hope you understand and respect that this was a difficult decision to make.

Sincerely,
Janet Corvini, WCSMA President
